

# 4th Grade Mission Project

We are starting the Mission era in California History. Students will research their assigned mission, print a couple pictures (1 aerial view), and make note cards for their oral report. The oral presentation will be done on Wednesday, Dec 14th.

We will be building the missions in class on Monday, Dec. 12th from 8:35-11:50.

I will buy styrofoam & all supplies in bulk to create each entire project.

Please contribute \$10 (Venmo, cash, check) to cover the supplies! *Email me if you can help the kids with hot gluing or cutting on Dec.12th.*

*Thanks,*  
Mrs. Henderson
